### Biliousness and Constipation

It is certainly surprising that any woman will endure the miserable feelings caused by biliousness and constipation, when relief is so easily had and at so little expense. Mrs. Chas. Peck, Gates, N. Y., writes: "About a year ago I used two bottles of Chamberlain's Tablets and they cured me of biliousness and constipation." Obtainable everywhere.

### JAPANESE TEA

The Missionary Society of the First Methodist Church had a Japanese tea at the home of Mrs. Leo Leckie, Friday afternoon, which was one of the prettiest events of this year.

There was a different color scheme for each room and Japanese parasols, fans, pictures and lanterns made a pretty display. The library was in solid red with cut flowers of the same color. The hall and stairway was in green, the banisters being of solid greenery, dotted with flowers. The parlor was in yellow and the dining room in pink. The tea table occupied a decorated corner in the dining room and Mrs. G. W. Powers and Mrs. Preston Brown served the guests from real Japanese China.

Every lady who attended went in Japanese kimono with the hair dressed in Japanese style. Some of the dresses were real Japanese robes and very beautiful. These gay costumes with the attractive decorations made the party very beautiful.

Everyone was required to sit on the floor. Mrs. F. M. Shriver sang a solo and Mrs. J. F. King gave a reading, after which they had the opening of the mite boxes in shadow pictures.

### DRY VALLEY PATRI-

### ARCH TO CELEBRATE

Uncle Joe B. Woods of Dry Valley will be 91 years old on the 17th of this month and plans are making to celebrate with an old-fashioned Missouri dinner. Probably there will also be some speech making. Mr. Woods is one of the best known men of this part of the country and it is certain that his birthday will draw a large crowd unless a cyclone or something equally bad comes along on the 17th.—Sarcoxie Record.

### MARRIED

J. H. Todd, one of the Frisco's most popular claim agents, was married to Miss Hester Franks, daughter of J. F. Franks, a merchant at Koshkonong, Mo., Sunday, September 12, 1915.

James Franks, brother of the bride, together with his wife, drove the young couple to Thayer, where they were united in the holy bonds of matrimony by Rev. Taylor, and from there they took the train to Monett, where they were located this morning at their future home on Central avenue, by W. D. Steele.

As soon as they were discovered the Claim Department was notified and Steele and Harry Smedley were ordered to go after them and take them to the Edgar home, where a dinner was prepared by Mrs. Harry Smedley. Before sitting down to dinner the young couple were presented with a chest of silverware from the claim agents working out of Monett, including H. H. Westbay, district claim agent from Fayetteville, Ark., but who thinks he is one of the Monett bunch.

Todd, like a great many other young fellows when they get married, was somewhat excited, from the story told by his wife. When the Reverend Taylor gave him the obligation, Todd evidently thought he was presenting a claim against the company, for instead of answering by saying "yes" he told Rev. Taylor that he would write the case up and present it to the Receivers and let him have an answer in a few days.

### PAROLES TO TWELVE CONVICTS

Jefferson City, Sept. 11.—Governor Major issued twelve paroles today to men serving in the penitentiary, all of whom will be released next Wednesday. In this list is Harry Fields of Pemiscot County, who was sentenced for two years last October for killing a hog with intent to steal it. He left a destitute wife and eight little children. He killed the hog to feed his hungry family. Under the law, however, hog stealing is a felony.

Mrs. J. J. Charles, of Sapulpa, Ok., came Monday morning, for a few days visit.
